Nagpur,India 9404955462 , ashharsiddiqui462@gmail.com www.linkedin.com/in/md-ashhar-raza-siddiqui-04030522b

SUMMARY

I seek challenging opportunities where I can fully use my skills for the success of the organization.

PROJECTS

1) Invoice Builder with email functionality:

- * Developed a responsive invoice generator web application using HTML, CSS, JavaScript, and Node.js with Express.js as the backend framework from scratch.
- * Enabled **email delivery of invoices using Nodemailer** with Gmail's App Password authentication for secure email transactions.
- * Implemented a PDF download feature allowing users to instantly download the generated invoice.

2) HR Mangagement System: In this project i am working as a frontend developer for creating the interactive user friendly interface.

3) AI Projects: Netflix Clone, Meesho Clone, Image to Text Extractor
